---

### **EUROPEAN COMMISSION - DG JUSTICE , FREEDOM AND SECURITY**

#### **Integrating 3rd country nationals through empowerment – creating sustainable integration networks with business**

The project objective is to support the setting up of trans-national co-operation networks to identify, exchange and evaluate good practices and new approaches, for the integration of 3rd country nationals, business and local/state administration, in immigrants' advantage. It is promoted by the Danish Organization of the Chambers of Commerce (HTSI), in partnership with IFOA, Spanish, Estonian and German Chambers of Commerce.

In Italy, the objective is the realization of a fair to exchange job demand and supply for immigrants.
